Overview

The foundation of what we offer are the needs and strategic goals of our clients. In a world that is unpredictable and constantly changing, we aim to add value for our clients by offering solutions for (electrical systems, materials, and extensions) electrical materials for both commercial and industrial projects within the Kingdom of Saudi Arabia that can satisfy their most challenging requirements. We stand by our clients' sides, assist them, and help them achieve their needs as best we can since the United Benefits Establishment invests its experience and knowledge in serving its clients.

United Benefits Integration 2030 Vision

United benefits are a rising electrical company in the kingdom of Saudi Arabia. Which provides technologically developed power supplies. Our company's goal is to be a top contender in 2030 with our amazing products that we keep innovating in order to perfect them And to be part of HRH Prince Mohammad Bin Salman 2030 vision development and projects.

About Us

The United Benefits is a Saudi-based company with a focus on the sale of electrical tools and systems as well as the provision of services in the areas of electrical panel design and maintenance for both existing and upcoming projects. It is one of the company's representatives for the producers of electrical systems, where we provide the electrical components for commercial and industrial projects throughout the kingdom. Our dedicated team and those with sufficient expertise plan for projects and provide the industrial solutions that have been proven to be effective, and we have also been able to deliver numerous projects. In a very short period of time, we have managed to establish a good reputation as a dynamic, innovative, and specialized company that possesses expert resources that provide comprehensive and professional services.

Our Mission

.

Our mission is to always exceed customer expectations by delivering quick, dependable, and efficient solutions while also employing our extensive industry experience. We fully understand that your success is our future.

Our Vision

Our vision is to become one of the Kingdom's top businesses by the year 2030 and to actively participate in investments, developments, and exploitations in the Gulf and some of the surrounding nations.

Quality Policy

To make sure that our firm offers amazing systems with the greatest levels of integrity, adaptability, and dependability, we have set a specific standard to reach high-quality standards in all of our business operations' aspects. Our primary focus is on planning, developing, and providing electrical system solutions, and we never compromise on quality. Additionally, the business is dedicated to providing its services while utilizing the most up-to-date technology, premium products, and its knowledgeable team to consistently raise client satisfaction.

Safety

We place a high priority on safety, which is furthered by our advocacy of the "safety comes first" mentality. According to corporate policy and the highest industry standards for the attainment of quality and safety, our staff are taught to perform their duties with the utmost responsibility for the safety of those who will benefit from our activity as a business. while providing our services

Successful Partners

For the construction and manufacture of electrical boards, Schneider has approved a number of factories that have extensive experience with ABB products. In addition, these products are made by an elite group of professional and experienced engineers who have a passion for their work and are dedicated to offering top-notch design services. In order to offer our clients the ideal electrical power, monitoring, and control solution, we also work with a large number of Leading Global Manufacturers, distributing their products. We collaborate with some of the biggest brands in the sector, and we have established ourselves as the primary supplier. In addition, we consistently offer cutting-edge concepts and technical improvements.

Suppliers

We provide our services using certified international products from the best brands and companies around the world to ensure a high quailty serivce to our clients.
